Video Walk Through

4701 NE 88th St. Kansas City, MO 64156

A stunning, contemporary residence constructed just three years ago! Situated in a new neighborhood in Kansas City, MO, offering convenient highway access at 435 and 152. The property features a well-maintained lawn, a tree-lined backyard, and modern exterior accents. Step inside to find an expansive entryway with an elegant hanging chandelier. The open floor plan seamlessly connects the kitchen, dining area, and living room. The master bedroom boasts vaulted ceilings, a luxurious en suite bathroom with dual vanities, a walk-in shower with dual showerheads, and an en suite laundry room complete with an LG suit steamer.

4701 NE 88th St. Kansas City, MO 64156

Lower level has an expansive family room with plenty of space for everyone. Two bedrooms with 2 full bathrooms on lower level. Walk out basement includes patio space to enjoy the treed backyard. School district is North Kansas City, feeds into the esteemed Staley High School. All high demand stores are located less than 10 minutes away (Target, Walmart, Costco). 15 minutes to Liberty area and 15-20 minutes to KCI Airport. Hold down or scan the QR Code for a video walk through!
