Leavenworth School District

View by appointment

This 4-bedroom home is fully renovated and radiates perfection. Bathed in natural light, the open-concept design is complemented by a front patio where you can savor your morning coffee with a picturesque view. The interior showcases fresh paint in every corner. The kitchen is a masterpiece with brand-new stainless-steel appliances, including a refrigerator, stove/oven with air fryer, and dishwasher. The accented ceilings add an incredible touch throughout the home. Step into beautifully renovated bathrooms and completely updated bedrooms. The living room, adorned with stunning laminate floors, invites comfort. A new deck extends from the back office/bonus room, providing an additional space to unwind with a fenced yard beyond. Alley access behind the home ensures convenient off-street parking. The location is optimal, offering easy access to freeways and Fort Leavenworth. Proximity to schools, shopping, grocery, and entertainment is an added advantage, making this home a perfect blend of style and convenience.
