Welcome to one of the cutest houses in Leavenworth! This 4 bedroom and 3 full bath home has been completely updated with fresh paint, updated flooring and new lighting. All with a modern touch and lots of natural light! This home boasts a spacious living area and bright kitchen with granite countertops and new backsplash. All kitchen appliances stay! All bedrooms are on main living level. Nice sized primary bedroom with en-suite bath. A finished lower level adds flexibility with a second living area, full bathroom and additional bedroom or office option. NEW roof and gutters on the home! Deck off the kitchen perfect for outdoor entertainment and large fenced-in backyard perfect for kids and pets. Just a short drive from Fort Leavenworth as well as KCK Legends shopping area. Close to restaurants, grocery stores and everything you need!
