North Kansas City

View by appointment

Welcome to North Kansas City! You can have it all right here, restaurants and entertainment just minutes away, while still enjoying a quiet, friendly neighborhood that offers the privacy your family wants. This bi-level home offers more space than you might expect. The main level features comfortable living and dining areas, an eat-in kitchen, and updated upstairs bathrooms, all with a bright, welcoming feel. The lower level has been transformed into a private primary bedroom suite with a walk-in closet and full bathroom, creating a flexible and functional layout. Maintenance-free vinyl siding, attached garage, and a flat, fenced backyard complete the home. Quiet, tree-lined, and family-friendly, River Forest is a wonderful place to raise a family while keeping entertainment and conveniences nearby.
