

# 2411 Gettsyburg

## Leavenworth, KS

**View** by appointment

Welcome to this spacious and well-designed single-family home at 2411 Gettsyburg Dr in Leavenworth, KS, offering five bedrooms and three full bathrooms with approximately 2,350+ square feet of living space in the desirable Shenandoah subdivision. Built in 2009, this residence features a generous layout perfect for families, roommates, or those who love extra space, with multiple living areas that flow effortlessly from the large kitchen with ample storage to the comfortable great room with a fireplace. The oversized two-car garage and generous fenced backyard provide convenience and room for outdoor living and play, while the finished lower level adds flexibility for recreation, home office setups, or guest accommodations. Situated in a friendly neighborhood near schools, parks, and everyday amenities, this property combines comfort, functionality, and a welcoming atmosphere — making it a wonderful place to call home in Leavenworth.
